A Workshop on Effective Teaching of Social Science was organised by the SHARPEN Academy for all the Social Science teachers of the SBOIA Schools. Mrs.Chitra Umapathy, Mrs.Dhivya R, Mrs. Sornambigai Ravi of Model School attended the Session. It was conducted by Dr. Kamarajini, Principal, Rojavanam International School, Nagarcoil, Kanyakumari District. Welcome address was given by Mrs. Georgina Premkumar, Headmistress SHARPEN Academy. Dr. Kamarajini insisted that the teachers must teach Indian Value based Social Science to the students.

Dr. Sarojini organised the participants into groups and conducted many group activities. She explained how teaching can be done effectively by using interactive methods, real-life examples, and technology to engage students and promote deeper learning. She said that Social Science teaching should be meaningful, integrative, Active and Challenging. The teachers must encourage their students to learn by emphasizing, their positive behaviour. She insisted that Social Science teachers should have a strong communication skill. They can make the class lively by showing videos, creating experimental learning and opportunities. All the teachers were given a Participation certificate. Mrs. Georgina Premkumar proposed the vote of thanks. All the teachers thanked

Dr. Kamarajini for conducting the workshop vibrantly & effectively. The session came to an end with this note.
