29 students from Std III were taken on a field trip on 24.10.24 to Rail Museum. The students had a practical experience of learning about the Railways. Students had a joy train ride which gave them a vision of the landscape around the museum. There were other exhibits and models made out of waste which boosted their imagination. The show was informative as it provided a good visual experience as well as factual knowledge of railways. On the whole it was a fun and safe trip for the students.

25.10.2024

Students of Class 11 and 12 were given the opportunity to attend an engaging Architecture workshop at Dr. MGR Educational and Research Institute, Maduravoyal. The purpose of the visit was to expose students to the field of architecture and spark their creativity. The workshop commenced in the activity hall, where students were encouraged to create models using coloured paper, sticks, and other constructive aids provided by the college. The students demonstrated their creativity, constructing impressive models that garnered appreciation from the college professors present. Following the model-building session, the students attended a seminar in the seminar hall, where a college professor

introduced architecture as a subject. The professor's talk was highly motivational, offering valuable insights into potential career paths within the field. The session helped students gain a better understanding of architecture and inspired them to consider future career possibilities in this area.

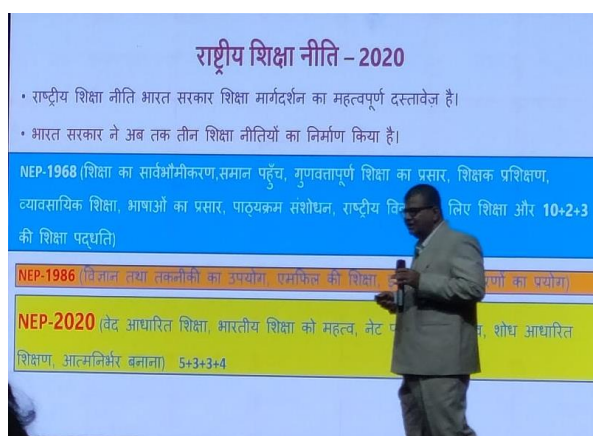

Overall, the workshop was a successful and enriching experience, fostering creativity and broadening career perspectives for the students in attendance.

26.10.2024.

MADUBAN Educational Books conducted a one day workshop on the process of language learning techniques in Hindi and also hosted a panel discussion with Dr. Sunitha Jajodia, Dr. Nisha Muralidharan and Dr. Sudha Trivedi as the members of Panel discussion. The teachers from the Dept. Of Hindi attended the workshop. "MADUKIRAN PAATMAALA" a Youtube channel launch was also held. Book unveiling of MADUVANTI 9, MUDITHA and MADHUP was also done at the workshop. The workshop featured engaging presentations, group discussions, and hands-on activities. The workshop successfully empowered

teachers with renewed enthusiasm and fresh perspectives to enhance student learning experience.

28.10.2024
